UTEP's CyberCorps® Scholarship for Service Program

Overview

The CyberCorps® Scholarship For Service (SFS) program is designed to increase and strengthen the cadre of federal information assurance professionals that protect the government's critical information infrastructure.

The funding will support graduate students in the Master's of Science in Software Engineering (MSSwE) and the Ph.D. in CS programs. Undergraduates enrolled in the Fast-Track Dual Credit program may also qualify to receive an SFS Scholarship.
